Knowledgeable, Helpful Female Assistants

One of the biggest benefits of lessons with the Club Dance King is actually being able to practice and get feedback from real beautiful women that you would encounter out at bars or clubs. Most guys have one of 2 problems: they're either too meek with women while dancing or they are overly aggressive. You will learn how and what places are appropriate to touch women during dancing. Chi shows you how to be more aggressive or if he assesses to be less creepy/touchy with women. Get your partner more comfortable and excited to dance with you. Having an attractive female assistant present with you at the clubs tends to attract other females at the club.

\$30 / Hour for 1 Female Assistant

*Lower pricing based on a prepaid 1 year contract.

**Billed every 28 Days

***Must be enrolled in membership program to take advantage of this offer

Private Lessons – Hourly Rates

Private hourly rates work best for students that want individualized attention but are not yet sure about committing to a longer program. This program allows you to get a taste of what classes with Chi will be like. Also, during the duration of the lesson a beautiful female assistant (like the ones you would encounter out at bars or clubs) will be present allowing you to practice with and get feedback. WOMEN. You will then spend another 3~4 hours out at the finest clubs with Chi and a female assistant. There you'll practice everything you've learned, meet some sexy people, and have a blast.

Chi's intensive students are sometimes locals from LA who want to get good fast, but mostly Intensive students fly to LA to learn from Chi or fly Chi to them internationally for convenience. Webcam lessons work great, but cannot match the visceral experience of having Chi and his lovely assistants live.

Client Testimonials

"What Chi offers goes beyond just learning how to dance. I contacted Chi because I wanted hip hop lessons, but I walked away with so much more. He took the time to also accompany me to the club to reinforce what he was teaching in his lessons. He instilled confidence, and isn't that what it boils down to? To have the confidence to walk into any club, straight to the dance floor and move like you own it. The confidence that Chi helps instill will definitely carry over to all aspects of your life.

Succinctly put, there is nobody better to help turn you into a dance king or queen. He's incredibly knowledgeable, legit and KICKASS!" - YELP REVIEW

– SIMONE M. (WEST HOLLYWOOD, CALIFORNIA)

"I had taken lessons from 'other' dance instructors, and they were trying to teach me crazy hip hop moves and wacky looking routines and I just felt like a fool...

LUCKILY I found Chi Szeto, because he understood IMMEDIATELY what I wanted to learn, just to dance like a regular normal person with some good dance moves... nothing crazy, no back flips, just regular good club dancing and good body movements...

I now have the confidence to dance and get into the fun on the dance floor. I would highly recommend his dance class to both Men and Women for learning how to dance and have FUN doing it!" - YELP REVIEW
